Greetings to all:

Howdy all!

Spring is in the air, obviously as my barn alley is covered in horse hair every day (as am I). So, I have confirmation from Georges Malleroni for the May 28, 29, and 30 dates. Mark your calendars and give me a call to reserve your day/time slot.

Also, Gail Wild (of equestrienneacadame) has graciously agreed to come and do a Musical/Kur/Freestyle clinic here at Epona in April. The dates will be April 16, 17 and 18. Friday will be determining the tempo of your horse. Saturday will be choosing your music genre, and riding to the music to determine the suitability of the music to the horse. Saturday night is freestyle seminar with food, fun, and drink. Then Sunday is Choreography day and filming. All three days cost is \$200.00. Call me for auditors fees, daily fees, and seminar fees if you can't attend all three days. This will fill fast so call me right away if you want to do this....

One last thing here. For those of you who have been here in the Gallatin Valley and going to horse shows for more than 15 years, Feb. 27th marked the end of an era. Mardy Ayres passed away. She was a bit of an icon in the Arabian world and will be sorely missed....

Again, call me if you want get in on either the Georges clinic or the Gail wild clinic, Both should be a ton of fun....Happy March to all!!!!
